MEMORANDUM FOR: Deputy Director (Support)

SUBJECT : Proposal Received from the National Storage Co., Inc.,
Stating Costs of Underground FacilitiesREFERENCE : Memorandum for the Deputy Director (Support) from the
CIA Emergency Planning Officer, dated 9 November 1959,
Subject: Report on Inspection of Underground Facilities
in Northwestern Pennsylvania

1. In November, 1959, I inspected the relocation and vital materials storage facilities of the National Storage Company, Inc. in a limestone mine northwest of Pittsburgh, Pennsylvania. The report of my findings, contained in the reference cited above, was sent to you on 9 November 1959.

2. I am transmitting herewith copy of the proposal received from the National Storage Company, Inc. showing how much it would cost us to avail ourselves of their facilities. They have adopted a code name [redacted] to use in connection with their negotiations with us in order to keep our name out of their records. I have distributed copies of this proposal to the officers shown on the distribution hereon and, working in concert with them, will develop some specific recommendations for submission to you.
